

# Runaground

Macnab

Storm is a coming  
Winds whipping round  
Waiting for salvation  
Rain pouring down  
Gonna runaground, Gonna runaground

Fear infections  
Nowhere to hide  
Losing direction  
Just keep spinning inside  
Gonna runaground, Gonna runaground

*But love conquers all  
Gonna catch you when you fall  
Love conquers all  
Love conquers, Yeah it conquers all*

Train is a rollin'  
Out of control  
Ain't no stopping  
Rockin' and a rollin'  
Gonna runaground, Gonna runaground

*But love conquers all  
Gonna catch you when you fall  
Love conquers all  
Love conquers, Yeah it conquers all*
